FOOTPRINTS: A KEEPSAKE POETRY COLLECTION (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. Shirley Scully's Australian Poetry This book of Shirley Scully's poems is a keepsake both for Shirley herself, and for her family and friends - and all Australians. Poetry has been a passion since she was a girl. This collection, which is by no means her full collection, stretches from World War II to the new millennium. Though she is normally quiet and reserved, Shirley does love to recite her poetry from time to time. Entering her poems in magazine contests over the years has been rewarded by praise from many quarters. You...
